Ms. Stephanie N. Neal
Assistant City Attorney
City of Mesquite
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2020-20165

Dear Ms. Neal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 841033.

The City of Mesquite (the "city") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find the city failed to demonstrate the marked information is highly intimate or embarrassing information of an identifiable individual and of no legitimate public interest. Thus, the city may not withhold the marked information under section 552.101 in conjunction with common-law privacy. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
