Dear Ms. Argubright:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 839694.

The Rockwall Independent School District (the "district"), which you represent, received a request for certain information pertaining to a named employee. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 21.062 of the Education Code. Section 21.062 provides, in relevant part:

(a) During an investigation by the commissioner for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

...

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

Educ. Code § 21.062(a)(2), (d); *see id.* §§ 5.001(3) (“Commissioner” means the commissioner of education), 21.001(1) (“Commissioner” includes a person designated by the commissioner). You state the submitted information was subpoenaed in an investigation of an educator under section 21.062 of the Education Code. You inform us, and provide documentation showing, the information was submitted to the Texas Education Agency in response to a subpoena issued by the commissioner. Based upon your representations and our review, we agree the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
