The University of Texas System

OR2020-20804

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 840484 (OGC# 197563).

The University of Texas at Austin (the "university") received a request for e-mails sent or received by three named individuals including specified terms during a stated period of time. You claim some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and

disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *See Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You assert the information you marked consists of advice, recommendations, and opinions of the university's staff regarding policymaking decisions. You also inform us the information at issue includes a draft document that reflects the deliberations of the university's staff pertaining to the policymaking matters of the university. You state this draft document was intended for release in its final form. Based on your representations and our review, we conclude the university may withhold the information you marked under section 552.111 of the Government Code.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code.<sup>1</sup> *See* Gov't Code § 552.117(a)(1). We note section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus,

---

<sup>1</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Accordingly, if the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code and a governmental body does not pay for the cellular telephone service, then the university must withhold the cellular telephone number we marked under section 552.117(a)(1) of the Government Code. Conversely, if the individual at issue did not timely request confidentiality under section 552.024 or a governmental body pays for the cellular telephone service, then the university may not withhold the cellular telephone number at issue under section 552.117(a)(1).

In summary, the university may withhold the information you marked under section 552.111 of the Government Code. If the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code and a governmental body does not pay for the cellular telephone service, then the university must withhold the cellular telephone number we marked under section 552.117(a)(1) of the Government Code. The university must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
