Ms. Susan Camp-Lee
Counsel for the City of Round Rock
Sheets & Crossfield, P.L.L.C.

OR2020-21211

Dear Ms. Camp-Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 841349 (PIR# W011847-060820).

The City of Round Rock (the "city"), which you represent, received a request for information pertaining to a specified incident. You state the city will release some information. You claim some of the submitted information is not subject to the Act. You also claim the submitted information is excepted from disclosure under sections 552.101, 552.107(2), and 552.108 of the Government Code.¹ We have considered your arguments and reviewed the submitted representative sample of information.²

We note the submitted information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2020-20123 (2020). We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, we conclude the city must rely on Open Records Letter No. 2020-20123 as a previous determination and withhold or release the submitted information in accordance with that ruling.³ See Open Records Decision No.

¹ We understand you to argue section 552.107(2) of the Government Code based on the substance of your argument.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

³ As we are able to make this determination, we need not address your arguments against disclosure of the submitted information.

673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Matthew Taylor
