(d) Subsection (c) does not apply to information related to an individual who consents to disclosure of the information.

Educ. Code § 51.971(a), (c)-(e)(1). The university states it is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). The university states the information at issue relates to internal compliance investigations conducted by the university's Title IX Office and Equal Opportunity Office relating to ethical questions and standards of conduct of university employees. The university also states the investigations were conducted in response to allegations of misconduct and were initiated in order to assess and ensure compliance with all applicable laws, rules,

regulations, and policies. Based upon these representations and our review, we find this information relates to investigations conducted under the university's compliance program. *See id.* § 51.971(a)(1).

The university asserts release of the information it has marked under section 51.971(c)(1) would directly or indirectly reveal the identities of individuals making reports to or participating in closed compliance program investigations. Further, the university states release of the information it marked under section 51.971(c)(2) would directly or indirectly reveal the identities of individuals who were alleged to have or may have planned, initiated, or participated in activities that are the subject of the investigations, when those allegations were unsubstantiated. Subsection (c) does not apply to information related to an individual who consents to disclosure of the information. *Id.* § 51.971(d). The university informs us the individuals at issue did not consent to release of their information. Upon review, we agree the university must withhold the information it has marked under section 552.101 of the Government Code in conjunction with section 51.971(c) of the Education Code. The university further informs us the information it has marked under section 51.971(e)(1) was collected or produced in an ongoing university compliance program investigation and asserts release of the information would interfere with the investigation. Based upon these representations and our review, we agree the university must withhold the information it has marked under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code. The university must release the remaining information.
