

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 3, 2020

Mr. Kieran Hillis
Public Information Coordinator
Office of the Governor of Texas
P.O. Box 12428
Austin, Texas 78711

OR2020-22353

Dear Mr. Hillis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 843481 (OOG ID# 336-20).

The Office of the Governor of Texas (the "governor's office") received a request for two categories of information pertaining to a specified governor's office policy.¹ You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.107, and 552.111 of the Government Code. You also state you notified the Texas Department of State Health Services ("DSHS") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released.² *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

¹ We note the governor's office sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² As of the date of this letter, we have not received any comments from DSHS explaining why any portion of the submitted information should not be released to the requestor.

³ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” *Id.* § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 81.046 of the Health and Safety Code, which provides, in part:

(a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (c-1), (d), and (f).

Health & Safety Code § 81.046(a)-(b). In Open Records Decision No. 577 (1990), this office concluded that any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception set out in the statute applies. *See id.* § 81.046(b)-(d), (f); ORD 577. You state the information you marked relates to cases or suspected cases of diseases or health conditions, and thus, section 81.046 governs the release of the information at issue. Based on your representations and our review, we agree section 81.046 governs the release of this information. Additionally, you state none of the release provisions of section 81.046 are applicable in this instance. Accordingly, we determine the governor’s office must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.⁴

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov’t Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref’d n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body’s

⁴ As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. See Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); see ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982).

You seek to withhold the information you marked under section 552.111 of the Government Code. You state the information at issue consists of advice, opinions, and recommendations of employees and officials of the governor's office regarding policymaking matters. Upon review, we find the governor's office may withhold the information you marked under section 552.111 of the Government Code.

In summary, the governor's office must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code. The governor's office may withhold the information you marked under section 552.111 of the Government Code. The governor's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
