Ms. Angela Albers
Criminal District Attorney
Wood County
P.O. Box 689
Quitman, Texas 75783

OR2020-22499

Dear Ms. Albers:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 844563 (ORR# 20-06382).

The Wood County Sheriff's Office (the "sheriff's office") received a request for case number 20-07240. The sheriff's office states it is releasing some of the requested information. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception the sheriff's office claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

¹ We note the sheriff's office did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b), (e). Therefore, the sheriff's office has failed to establish a compelling reason to address its claim under section 552.108 of the Government Code. *See id.* §§ 552.007, .302, .304, .352; *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 (1977) (governmental body may waive statutory predecessor to section 552.108). However, the need of a law enforcement agency other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 at 3 (1991). Accordingly, we will consider whether the sheriff's office may withhold the submitted information on behalf of another law enforcement agency.

body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The Wood County District Attorney's Office (the "district attorney's office") states the submitted information pertains to an active criminal investigation and prosecution. We understand the district attorney's office objects to release of the information at issue. Based on this representation and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
