Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 845506.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for medical records of the requestor's client. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 611.002 of the Health and Safety Code, which provides, in part, as follows:

(a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.

(b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b); *see also id.* § 611.001 (defining "patient" and "professional"). Upon review, we find some of the submitted information, which we have marked, consists of mental health records. Therefore, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.

Section 552.101 of the Government Code also encompasses information made confidential by the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990).

Upon review, we find some of the remaining information, which we marked, constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician and information obtained from a patient’s medical records. Accordingly, the sheriff’s office must withhold the marked information under section 552.101 of the Government Code in conjunction with the MPA.<sup>1</sup> However, we find the sheriff’s office has not demonstrated any portion of the remaining information consists of medical records for purposes of the MPA, and the sheriff’s office may not withhold any of the remaining information under section 552.101 on that basis.

Section 552.101 of the Government Code also encompasses information protected by other statutes, such as chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center

---

<sup>1</sup> We note this ruling does not affect an individual’s right of access to his or her own medical records from the physician who provided treatment under the MPA, subtitle B of title 3 of the Occupations Code. *See* Occ. Code §§ 159.004, .005, .006; *cf. Abbott v. Tex. State Bd of Pharmacy*, 391 S.W.3d 253 (Tex. App.—Austin 2012, no pet.) (MPA does not provide general right of access to medical records from governmental body responding to a request for information under the Public Information Act).

or by the Texas Crime Information Center. *See* Gov't Code § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See* Gov't Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. Upon review, we find you have not demonstrated the information you marked consists of CHRI for purposes of chapter 411 of the Government Code, and the sheriff's office may not withhold the information under section 552.101 of the Government Code on that basis.

In summary, the sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code. The sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with the MPA. The sheriff's office must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
