Williamson County Sheriff's Office
508 South Rock Street
Georgetown, Texas 78626

OR2020-22644

Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846064.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for training records, complaints, and disciplinary actions pertaining to a named deputy. You claim some of the submitted information is not subject to the Act. You also claim some of the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.117, 552.122, and 552.130 of the Government Code. We have considered your claims and reviewed the submitted information.

You state the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE numbers is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. Section 552.101 encompasses section 1701.306 of the Occupations Code, which pertains to L-2 Declaration of Medical Condition forms required by TCOLE. Section 1701.306 provides the following:

(a) [TCOLE] may not issue a license to a person unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a)-(b). Upon review, we find the sheriff's office must withhold the L-2 you have marked under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.

Section 552.102(a) of the Government Code excepts from disclosure "information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Gov't Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Upon review, we find the sheriff's office must withhold the employee's date of birth you have marked and the employee's date of birth we have marked under section 552.102(a) of the Government Code.

Section 552.117(a)(2) of the Government Code excepts from disclosure the home address, home telephone number, personal pager and cellular telephone numbers, emergency contact information, social security number, and family member information of a peace officer, regardless of whether the peace officer complies with sections 552.024 or 552.1175 of the Government Code. Gov't Code § 552.117(a)(2). We note section 552.117 also encompasses a personal cellular telephone number, unless the cellular service is paid for by a governmental body. *See* Open Records Decision No. 506 at 5-7 (1988) (statutory predecessor to section 552.117 not applicable to cellular telephone numbers provided and paid for by governmental body and intended for official use). Upon review, we find the sheriff's office must withhold the information you have marked and the information we have marked under section 552.117(a)(2) of the Government Code; however, the sheriff's office may only withhold the marked cellular telephone number if the cellular telephone service is not paid for by a governmental body.

Section 552.122(b) of the Government Code excepts from disclosure a test item developed by a licensing agency or governmental body. Gov't Code § 552.122(b). The term "test item" in section 552.122 includes any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated, but does not encompass evaluations of an employee's overall job performance or suitability. Open Records Decision No. 626 at 9 (1994). Whether information falls within the section 552.122 exception must be determined on a case-by-case basis. *See id.* at 6. Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold some of the remaining information under section 552.122 of the Government Code. Upon review, however, we conclude the sheriff's office has not established the information at issue tests an individual's or group's knowledge or ability in a particular area. *See* ORD 626 at 9. Therefore, the sheriff's office may not withhold any of the information at issue under section 552.122(b) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find some of the remaining information consists of motor vehicle record information subject to section 552.130. Therefore, the sheriff's office must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The sheriff's office must withhold the L-2 you have marked under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code. The sheriff's office must withhold the employee's date of birth you have marked and the employee's date of birth we have marked under section 552.102(a) of the Government Code. The sheriff's office must withhold the information you have marked and the information we have marked under section 552.117(a)(2) of the Government Code; however, the sheriff's office may only withhold the marked cellular telephone number if the cellular telephone service is not paid for by a governmental body. The sheriff's office must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
