

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 9, 2020

Mr. Cary D. Kirby
County Attorney
Angelina County
P.O. Box 1845
Lufkin, Texas 75902-1845

OR2020-22749

Dear Mr. Kirby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 845115.

The Angelina County Sheriff's Office (the "sheriff's office") received a request for the first 50 pages of a named individual's personnel file. You state you have released some information. You claim some information is not subject to the Act. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.102, 552.108, 552.117, 552.1175, 552.130, 552.136, 552.137, and 552.147 of the Government Code.¹ We have considered the submitted arguments and reviewed the submitted information.

Initially, you state the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

¹ Although you argue portions of the submitted information are confidential under section 552.101 in conjunction with article 60.06 of the Code of Criminal Procedure, section 60.06 was repealed effective September 1, 2019. Act of May 29, 2017, 85th Leg., R.S., ch. 1058, § 5.01(3) (effective September 1, 2019).

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.²

Next, you assert some of the requested information consists of school transcripts that are subject to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code. The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.³ Consequently, education records that are responsive to a request for information under the Act should not be submitted to this office in unredacted form, that is, in a form in which "personally identifiable information" is disclosed. *See* 34 C.F.R. § 99.3 (defining "personally identifiable information"). We note the sheriff's office is not an educational agency or institution for purposes of FERPA. You state the sheriff's office received the transcripts directly from the educational institution at issue. Because our office is

² As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.

³ A copy of this letter may be found on the Office of the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

prohibited from reviewing education records to determine the applicability of FERPA, we will not address FERPA with respect to those records. Such determinations under FERPA must be made by the educational authority from which the records were obtained. Thus, the sheriff's office should contact the educational institution from which the transcripts were obtained, as well as the DOE, regarding the applicability of FERPA to the information at issue.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. This section makes confidential L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by TCOLE. Section 1701.306 provides, in part:

(a) [TCOLE] may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a)-(b). Therefore, the sheriff's office must withhold Exhibit G under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.⁴

Section 552.101 encompasses information protected by chapter 411 of the Government Code. CHRI generated by the National Crime Information Center (the "NCIC") or by the Texas Crime Information Center is confidential under federal and state law. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." Gov't Code § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the

⁴ As our ruling is dispositive, we need not address your remaining argument disclosure of this information.

NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990). *See generally* Gov't Code §§ 411.081-.1409. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter E-1 or F of the Government Code. *See id.* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. However, section 411.083 does not apply to active warrant information or other information relating to one's current involvement with the criminal justice system. *See* Gov't Code § 411.081(b) (police department allowed to disclose information pertaining to person's current involvement in criminal justice system). We also note the term CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find the information we marked consists of CHRI the sheriff's office must withhold under section 552.101 in conjunction with section 411.083 and federal law. However, we find you failed to demonstrate the remaining information at issue consists of confidential CHRI. Therefore, the sheriff's office may not withhold the remaining information under section 552.101 on that basis.

Section 552.101 also encompasses section 411.192 of the Government Code, which governs the release of information maintained by DPS concerning the licensure of an individual to carry a concealed handgun. Section 411.192 provides, in relevant part:

(a) [DPS] shall disclose to a criminal justice agency information contained in its files and records regarding whether a named individual or any individual named in a specified list is licensed under this subchapter. Information on an individual subject to disclosure under this section includes the individual's name, date of birth, gender, race, zip code, telephone number, e-mail address, and Internet website address. Except as otherwise provided by this section and by Section 411.193, all other records maintained under this subchapter are confidential and are not subject to mandatory disclosure under the [Act].

(b) An applicant or license holder may be furnished a copy of disclosable records regarding the applicant or license holder on request and the payment of a reasonable fee.

Id. § 411.192(a)-(b). You state Exhibit J consists of concealed handgun license information maintained by DPS. Thus, the sheriff's office must withhold Exhibit J under section 552.101 of the Government Code in conjunction with section 411.192 of the Government Code.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” *Id.* § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Upon review, we find the sheriff’s office must withhold the date of birth you marked and we marked under section 552.102(a) of the Government Code.⁵

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find some of the remaining information, which we marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the sheriff’s office must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov’t Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706). A governmental body claiming section 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See* Gov’t Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706. Section 552.108(b)(1) is intended to protect “information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State.” *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code

⁵ As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.

provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You assert release of the firearm serial numbers you marked would interfere with law enforcement because it could be used on an illegal firearm or in a missing weapons report. Upon review, we agree release of the information you marked would interfere with law enforcement. Accordingly, the sheriff's office may withhold the firearm serial numbers you marked under section 552.108(b)(1) of the Government Code.

Section 552.117(a)(2) excepts from public disclosure the current and former home addresses and telephone numbers, emergency contact information, social security number, and family member information of a peace officer, regardless of whether the peace officer made an election under section 552.024 or section 552.1175 of the Government Code. *See* Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. We note section 552.117 encompasses a personal cellular telephone number, provided a governmental body does not pay for the cellular telephone service. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Accordingly, the sheriff's office must withhold the information you marked under section 552.117(a)(2) of the Government Code; however, the marked cellular telephone number may be withheld only if a governmental body does not pay for the cellular telephone service.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or county is excepted from public release. *See* Gov't Code § 552.130(a). Upon review, we find some of the remaining information consists of motor vehicle record information that is subject to section 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information you marked and the additional information we marked under section 552.130 of the Government Code.

Section 552.101 of the Government Code also encompasses section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's photograph, social security number, driver identification number, name, address (but not zip code), telephone number, or medical and disability information. *Id.* § 730.003(6). DPS is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). You state some of the remaining information consists of records that were obtained by the sheriff's office from DPS. *See id.* § 730.007(a)(2)(A)(i) (personal information may be disclosed to government agency in carrying out its functions). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). Accordingly, the sheriff's office must

withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information at issue is not confidential under section 730.004 or 730.013 of the Transportation Code, and the sheriff's office may not withhold any portion of it under section 552.101 of the Government Code on that basis.

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). Gov't Code § 552.137(a)-(c). The e-mail addresses at issue are not of types specifically excluded by section 552.137(c) of the Government Code. Accordingly, the sheriff's office must withhold the e-mail addresses you marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure.

In summary, the TCOLE identification number is not subject to the Act and need not be released to the requestor. The sheriff's office should contact the educational institution from which the transcripts were obtained, as well as the DOE, regarding the applicability of FERPA to the transcripts at issue. The sheriff's office must withhold Exhibit G under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code. The sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The sheriff's office must withhold Exhibit J under section 552.101 of the Government Code in conjunction with section 411.192 of the Government Code. The sheriff's office must withhold the date of birth you and we marked under section 552.102(a) of the Government Code. The sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office may withhold the firearm serial numbers you marked under section 552.108(b)(1) of the Government Code. The sheriff's office must withhold the information you marked under section 552.117(a)(2) of the Government Code; however, the marked cellular telephone number may be withheld only if a governmental body does not pay for the cellular telephone service. The sheriff's office must withhold the information you marked in addition to the information we marked under section 552.130 of the Government Code. The sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. The sheriff's office must withhold the e-mail addresses you marked under section 552.137 of the Government Code, unless the owners of the e-mail addresses affirmatively consent to their disclosure. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
