

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 11, 2020

Ms. Theresa Bell
City Administrator
City of Teague
105 South Fourth Avenue
Teague, Texas 75860

OR2020-22928

Dear Ms. Bell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846157 (ORR# T06042020MR).

The Teague Police Department (the "city") received a request for a specified incident report. The city states it is releasing some of the requested information. The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The city received the request for information on June 1, 2020. The city does not inform us it was closed for any business days between June 1, 2020, and June 15, 2020. Accordingly, the city was required to provide the information required by section 552.301(b) by June 15, 2020. We note the envelope in which the city initially submitted the information required by section 552.301(b) was returned to the city for insufficient postage, and the city again mailed the required information to this office in an envelope bearing a postmark of June 22, 2020. Section 552.308 of the Government Code provides, when a submission within a specified time period is required under the Act, the time requirement is met if the submission is sent by first class mail "with postage . . . prepaid" and the postmark date is within the required

time period. *See id.* § 552.308. Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this exception to the submitted information.¹ However, we find the city has failed to establish a compelling reason to address its claimed exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, with the exception of the requestor's date of birth, to which the requestor has a right of access pursuant to section 552.023 of the Government Code, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. *See* Gov't Code § 552.023(a) (“person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). The city must release the remaining information to this requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

² We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a); ORD 481 at 4. Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.
