Mr. Kevin Bailey
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2020-22989

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 843734 (ID Nos. M030608-061820, M030800-070720, M030878-071620, and M031030-080320).

The City of Midland (the "city") received four requests from three requestors for information pertaining to a specified motor vehicle accident involving three named individuals. You state you have released some of the requested information. You claim some of the submitted information was not properly requested under Chapter 1701 of the Occupations Code. You also claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall

release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestors are persons listed under section 550.065(c). Although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestors' statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the accident report to the requestors pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city asserts the remaining information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) of the Government Code is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.¹

In summary, the city must release the accident report to the requestors pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ As we are able to make this determination, we do not address the applicability of section 1701.661(a) of the Occupations Code to the submitted video recordings. *See generally* Occ. Code § 1701.661(a), (e).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
