Dear Mr. Dickson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 843930.

The Kerr Central Appraisal District (the "district"), which you represent, received a request for five categories of information pertaining to specified properties during specified time periods. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 22.27 of the Tax Code, which states, in pertinent part:

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). You state the district is an “appraisal office” for purposes of section 22.27(a). You state the submitted information was provided to the district by property owners in connection with appraisals of the owners’ properties pursuant to section 22.27(a). You state none of the exceptions in section 22.27(b) apply in this instance. *See id.* § 22.27(b). Based on your representations and our review, we conclude the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 22.27(a) of the Tax Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
