Dear Ms. Williams:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 844333 (PIR No. 7830).

The University of North Texas (the "university") received a request for any complaints filed by or about a named employee during a specified time frame. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 51.971 of the Education Code. Section 51.971 of the Education Code provides in relevant part the following:

(a) In this section:

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) “Compliance program” means a process to assess and ensure compliance by the officers and employees of an institution of higher education with applicable laws, rules, regulations, and policies, including matters of:

(A) ethics and standards of conduct;

(B) financial reporting;

(C) internal accounting controls; or

(D) auditing.

(2) “Institution of higher education” has the meaning assigned by Section 61.003.

...

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Educ. Code § 51.971(a), (e)(1). The university states it is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). The university explains the information at issue pertains to an ongoing compliance investigation conducted by the university’s Division of Institutional Equity and Diversity. The information at issue reflects that it was collected or produced in the ongoing compliance investigation. The university further states release of the information at issue would interfere with the ongoing investigation. Based on these representations and our review, we conclude the university must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 51.971(e)(1) of the Education Code. The university must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
