ATTORNEY GENERAL OF TEXAS

Ms. Stacey Cormican  
Attorney (Contractor)  
CPS Energy  
145 Navarro Street  
San Antonio, Texas 78205

OR2020-23779

Dear Ms. Cormican:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 844361.

The City Public Service Board of San Antonio ("CPS Energy") received a request for bid tab and award information for a specified collective. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state CPS Energy notified some interested third parties of CPS Energy's receipt of the request for information and of their right to submit arguments to this office as to why the requested information should not be released.<sup>1</sup> *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 at 3 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Sid Tool Co. Inc. d/b/a MSC Industrial Supply Co. ("MSC"). We have considered the submitted arguments and reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, this office has not received comments from any remaining third party explaining why its information should not be released to the requestor. Thus, we have no basis to conclude the release of the submitted information would implicate a remaining third party's interests, and none of the submitted information may be withheld on that basis. *See, e.g., id.* § 552.110 (requiring provision of specific factual evidence demonstrating applicability of exception).

---

<sup>1</sup> You do not inform us which third parties CPS Energy notified.

CPS Energy and MSC raise section 552.104 of the Government Code. Section 552.104 excepts from disclosure information “if a governmental body demonstrates that release of the information would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future.” *Id.* § 552.104(a) (emphasis added). In *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015), the Texas Supreme Court held section 552.104 does not preclude third parties from raising section 552.104 as an exception to disclosure. *See Boeing*, 466 S.W.3d at 842. However, the Eighty-sixth Legislature has amended section 552.104 since the issuance of *Boeing*. *See* Act of May 25, 2019, 86th Leg., R.S., S.B. 943, § 3. Section 552.104 now expressly limits the protections of section 552.104 to governmental bodies. Gov’t Code § 552.104(a). Therefore, we do not address MSC’s arguments under section 552.104.

After review of the information at issue and consideration of CPS Energy’s arguments, we find you have failed to demonstrate the applicability of section 552.104 to the information at issue. Thus, we conclude CPS Energy may not withhold the information at issue under section 552.104(a). As no further exceptions to disclosure have been raised, CPS Energy must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
