

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 21, 2020

Ms. Elizabeth Hanshaw Winn
Assistant County Attorney
Harris County
2525 Holly Hall, Suite 190
Houston, Texas 77054

OR2020-23782

Dear Ms. Winn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 845544 (HCAO File No. 20HSP0522).

The Harris County Hospital District d/b/a Harris Health System (the "system") received a request for communications involving certain system officials pertaining to particular topics made during a specified period of time.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.111 of the Government Code. You also state you notified third parties of the request for information and of their right to

¹ We note the system sought and received clarification of the request. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

submit arguments to this office as to why the submitted information should not be released.² *See* Gov't Code §§ 552.304 (interested party may submit comments stating why information should or should not be released), .305; *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered your claimed exceptions and reviewed the submitted representative sample of information.³

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion,

² You state the system notified the following third parties: Baylor College of Medicine; the University of Texas Health Science Center at Houston; Memorial Hermann; St. Luke's Health; Texas Children's Hospital; Texas A&M College of Medicine; Houston Methodist; M.D. Anderson; the University of Texas Medical Branch at Galveston; McKinsey & Company; HCA Healthcare; the U.S. Department of Veteran Affairs; Texas Medical Center; and Harris County.

³ We assume that the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third party, including a consultant or other party with a privity of interest. *See* Open Records Decision No. 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. *See* ORD 561.

You state the submitted information consists of advice, opinions, and recommendations of system employees and officials and other individuals, including employees of other state agencies, with whom you state the system shares a privity of interest regarding policymaking matters. You further state the information at issue includes draft documents that will be released in their final forms. Based on your representations and our review of the information at issue, we find you have demonstrated the submitted information consists of advice or recommendations on the policymaking matters of the system. Thus, the system may withhold the submitted information under section 552.111 of the Government Code.⁴
