

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 22, 2020

Mr. Brian S. Nelson
General Counsel
Corpus Christi Independent School District
P.O. Box 110
Corpus Christi, Texas 78403-0110

OR2020-23883

Dear Mr. Nelson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 845312.

The Corpus Christi Independent School District (the "district") received a request for a specified agreement between Express Scripts, Inc. ("Express"), and the district. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Express. Accordingly, you state, and provide documentation showing, you notified Express of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Express. We have considered the submitted arguments and reviewed the submitted information.

Section 552.110(c) of the Government Code excepts from disclosure "commercial or financial information for which it is demonstrated based on specific factual evidence that disclosure would cause substantial competitive harm to the person from whom the information was obtained[.]" Gov't Code § 552.110(c). Express argues some of its information consists of commercial or financial information subject to section 552.110(c). Upon review, we find Express has demonstrated the information at issue constitute commercial or financial information, the release of which would cause substantial competitive harm. Accordingly, the district must withhold the information we

have indicated under section 552.110(c) of the Government Code.¹ The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Meredith L. Coffman
