Dear Mr. Overcash:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846604 (ORR# W002605).

The Anna Police Department (the "department"), which you represent, received a request for case number 20086706. The department claims some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note some of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). In this instance, the requestor is a person listed under section 550.065(c). Thus, the department must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is

excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. Further the department asserts, and we agree, the submitted video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must also withhold the entireties of the submitted video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

In summary, the department must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. The department must withhold the motor vehicle record information it marked, as well as the entireties of the submitted video recordings, under section 552.130 of the Government Code. The department must release the remaining information to this requestor.<sup>1</sup>
