ATTORNEY GENERAL OF TEXAS

September 25, 2020

Mr. Mehran Jadidi  
Assistant City Attorney  
City of Galveston  
P.O. Box 779  
Galveston, Texas 77553-0779

OR2020-24259

Dear Mr. Jadidi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846117 (PIR No. W007662-063020).

The City of Galveston (the "city") received a request for information pertaining to a specified request for proposals. You state you will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. Additionally, you state release of this information may implicate the proprietary interests of unnamed third parties. Accordingly, you state you notified the appropriate third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any third party

has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold any portion of the submitted information related to any third party on the basis of any proprietary interest it may have in the information.

You raise section 552.104 of the Government Code on behalf of the third parties for the submitted information. Section 552.104 excepts from disclosure information “if a *governmental body* demonstrates that release of the information would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future.” Gov’t Code § 552.104(a) (emphasis added). In *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015), the Texas Supreme Court held section 552.104 does not preclude third parties from raising section 552.104 as an exception to disclosure. *See Boeing*, 466 S.W.3d at 842. However, the Eighty-sixth Legislature has amended section 552.104 since the issuance of *Boeing*. *See* Act of May 25, 2019, 86th Leg., R.S., S.B. 943, § 3. Section 552.104 now expressly limits the protections of section 552.104 to governmental bodies. Gov’t Code 552.104(a). Therefore, we do not address your arguments on behalf of the third parties under section 552.104 of the Government Code.

However, we note the submitted information contains insurance policy numbers. Section 552.136(b) of the Government Code states “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”<sup>1</sup> *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Thus, the city must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
