ATTORNEY GENERAL OF TEXAS

September 25, 2020

Mr. C. David Richards  
Associate General Counsel  
Texas Department of Motor Vehicles  
4000 Jackson Avenue  
Austin, Texas 78731

OR2020-24262

Dear Mr. Richards:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846071 (TxDMV PIR No. 20-1707).

The Texas Department of Motor Vehicles (the "department") received a request for a specified investigation file. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 1004.003 of the Transportation Code, which provides as follows:

Information obtained during an investigation of a person regulated under Chapter 2301 or 2302, Occupations Code, or Chapter 503 or 643 of [the Transportation Code] is confidential and not subject to disclosure under Chapter 552, Government Code, until the investigation is dismissed or finally resolved only if the disclosure of that information would interfere with or jeopardize the investigation.

---

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Transp. Code § 1004.003. The department states the submitted information pertains to an investigation of a complaint filed under Chapter 2301 of the Occupations Code of a person regulated under chapter 503 of the Transportation Code. The department informs us that this investigation is still open. The department also states release of the submitted information would interfere with or jeopardize the investigation. Based upon these representations and our review, we conclude the submitted information is confidential under section 1004.003 of the Transportation Code, and the department must withhold the submitted information under section 552.101 of the Government Code on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
