

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

September 28, 2020

Mr. Brandon Dyson  
Assistant City Attorney  
The City of San Angelo  
72 West College Avenue  
San Angelo, Texas 76903

OR2020-24273

Dear Mr. Dyson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 849819 (City File No. P001481-080620).

The City of San Angelo (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 1701.660 of the Occupations Code, which provides, in relevant part:

(a) Except as provided by Subsection (b), a recording created with a body worn camera and documenting an incident that involves the use of deadly force by a peace officer or that is otherwise related to an administrative or criminal investigation of an officer may not be deleted, destroyed, or released to the public until all criminal matters have been finally adjudicated and all related administrative investigations have concluded.

Occ. Code § 1701.660(a). You state the submitted body worn camera recordings relate to an open criminal investigation of a city police officer. *See id.* Further, we understand the

city does not seek to exercise its discretion to release the body worn camera recordings at issue pursuant to section 1701.660(b) of the Occupations Code. *See id.* § 1701.660(b) (law enforcement agency may release to the public a recording described by Subsection (a) if the law enforcement agency determines that the release furthers a law enforcement purpose). Accordingly, the city must withhold the body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.660(a) of the Occupations Code.<sup>1</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of another law enforcement agency, the custodian of records may withhold the information if it provides this office with a demonstration the information relates to a pending criminal case and a representation from the law enforcement agency that it wishes to have the information withheld. You state, and provide documentation demonstrating, the information at issue relates to an ongoing criminal investigation by the Texas Rangers, and the Texas Rangers object to release of the requested information because such release would interfere with their ongoing investigation. Based upon these representations and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also Open Records Decision No. 127 (1976)* (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

In summary, the city must withhold the body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.660(a) of the Occupations Code.

---

<sup>1</sup> As we are able to make this determination, we do not address your remaining argument against disclosure of this information.

With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code on behalf of the Texas Rangers.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
