ATTORNEY GENERAL OF TEXAS

September 28, 2020

Mr. Alexander Garcia
Assistant City Attorney
City of Corpus
P.O. Box 9277

OR2020-24274

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 849229 (CCPD File No. DPee1).

The Corpus Christi Police Department (the "department") received a request for two specified incident reports. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted one of the specified incident reports in the request. To the extent the remaining incident report existed on the date the department received the request, we assume you have released it. If you have not released such information, you must do so at this time. *See* Gov't Code §§ 552.301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides:

- (a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent

with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect. Accordingly, we find this information falls within the scope of section 261.201 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). As you do not indicate the department has adopted a rule that governs the release of this type of information, we assume that no such regulation exists. Given that assumption, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹ As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.
