Dear Ms. Gunter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846384 (District ID# 1920-234).

The Lewisville Independent School District (the "district") received a request for bid tabulations pertaining to a specified purchase. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state you notified Caldwell Country Chevrolet; Door 2 Door Shuttle, LLC; Grapevine DJC, LLC; Longhorn Bus Sales; Randall Reed's Prestige Ford; Rush Bus Centers – Selma; and Thomas Bus Gulf Coast GP, Inc. of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why info relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from any third party. Thus, we have no basis to conclude a third party has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the district may not withhold any of the submitted information on the basis of any proprietary interest a third party may have in the information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would “harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future.” *Id.* § 552.104(a). The “test under section 552.104 is whether knowing another bidder’s [or competitor’s information] would be an advantage, not whether it would be a decisive advantage.” *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find the district has failed to demonstrate the applicability of section 552.104 to the information at issue. Thus, we conclude the district may not withhold the information at issue under section 552.104(a) and must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
