

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 29, 2020

Mr. Jeffrey Giles
Assistant City Attorney
City of Houston Legal Department
P.O. Box 368
Houston, Texas 77001-0368

OR2020-24448

Dear Mr. Giles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 846550 (GC No. 26813).

The City of Houston (the "city") received a request for communications from named city officials and employees regarding specified topics during specified time periods.¹ You state the city will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.107 of the Government Code. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the submitted arguments and reviewed the submitted representative sample of information.²

Section 552.103 of the Government Code provides, in relevant part:

¹ The city states it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Id. § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

The city states, and provides documentation showing, prior to its receipt of the instant request, a lawsuit was filed and is currently pending against a city official in his official capacity in the United States District Court for the Southern District of Texas, Houston Division. Therefore, we agree litigation was pending on the date the city received the present request for information. The city also states the information at issue pertains to the substance of the lawsuit claims. Based on these representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the city may withhold the submitted information under section 552.103 of the Government Code.³

Generally, however, once information has been obtained by all parties to the litigation though discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

³ As our ruling is dispositive, we need not address the remaining argument against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Sean McCormick
