

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 2, 2020

Mr. Christopher St. James
Assistant General Counsel
Spring Independent School District
16717 Ella Boulevard
Houston, Texas 77090

OR2020-24866

Dear Mr. St. James:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 847043 (Ref. No. 1037).

The Spring Independent School District (the "district") received a request for five categories of information related to a specified employee. You state you will make some information available to the requestor. You also state you will withhold student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under sections 552.111 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City*

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/files/og/20060725usdoe.pdf>.

of *San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. See ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. See Open Records Decision No. 631 at 3 (1995). Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); see ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982).

Section 552.111 can also encompass communications between a governmental body and a third party, including a consultant or other party with a privity of interest. See Open Records Decision No. 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process). For section 552.111 to apply, the governmental body must identify the third party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third party unless the governmental body establishes it has a privity of interest or common deliberative process with the third party. See ORD 561.

You seek to withhold some of the submitted information under section 552.111 of the Government Code. You state the information at issue consists of advice, opinions, and recommendations of district employees and officials regarding policymaking matters of the district. Based on your representations and our review, we find you have demonstrated portions of the information at issue consist of advice, opinions, or recommendations on the policymaking matters of the district. Thus, the district may withhold the information we have marked under section 552.111 of the Government Code. However, we find the remaining information at issue consists of information that is administrative or purely factual in nature. Thus, you have failed to demonstrate the remaining information at issue reveals advice, opinions, or recommendations that pertain to policymaking. Accordingly, the district may not withhold any portion of the remaining information under section 552.111 of the Government Code on the basis of the deliberative process privilege.

Section 552.116 of the Government Code provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You seek to withhold some of the remaining information under section 552.116 of the Government Code. The district asserts the information at issue consists of audit working papers pertaining to an audit conducted by the district. The district states, and provides documentation demonstrating, the audit is authorized by district policies adopted by the district's Board of Trustees. *See id.* § 552.116(b)(1). Based on these representations and our review, we agree the information at issue constitutes audit working papers. Therefore, the district may withhold the information you have indicated under section 552.116 of the Government Code.

In summary, the district may withhold the information we have marked under section 552.111 of the Government Code. The district may withhold the information you have indicated under section 552.116 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
