ATTORNEY GENERAL OF TEXAS

Ms. Sarah Parker  
Associate General Counsel  
Texas Department of Transportation  
125 East 11th Street  
Austin, Texas 78701-2483

OR2020-24944A

Dear Ms. Parker:

This office issued Open Records Letter No. 2020-24944 (2020) on October 2, 2020. We have examined this ruling and determined we will correct the previously issued ruling. Consequently, this decision is substituted for Open Records Letter No. 2020-24944 and serves as the correct ruling. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act ("Act")).

You ask whether certain information is subject to required public disclosure under the Act. Your request was assigned ID# 853051.

The Texas Department of Transportation (the "department") received a request for information pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find the department has established the release of the information at

issue would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation. Thus, we conclude the department may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Meagan Hunter
