Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 848064.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for specified information pertaining to employees placed on leave. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.108 of the Government Code provides, in part, the following:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution[.]

Gov't Code § 552.108(a)-(b). Subsection 552.108(a)(1) protects information if its release would interfere with a particular pending criminal investigation or prosecution. Subsection 552.108(b)(1) protects internal law enforcement and prosecution records, the release of which would interfere with law enforcement and prosecution efforts in general. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.) (section 552.108(b)(1) protects information that if released would permit private citizens to anticipate weaknesses in police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate state laws). A governmental body claiming subsections 552.108(a)(1) and 552.108(b)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See Gov't Code § 552.301(e)(1)(A)*; *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Upon review, we find the sheriff's office has not demonstrated release of the submitted information would interfere with law enforcement. Accordingly, the sheriff's office may not withhold the submitted information under subsection 552.108(a)(1) or 552.108(b)(1) of the Government Code. Therefore, the sheriff's office must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
