Sergeant Guadalupe Garcia  
Pharr Police Department

OR2020-25102

Dear Sergeant Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 848977 (ORR# P001286).

The City of Pharr (the "city") received a request for all reports involving a named individual during a specified time period. The city states it is releasing some of the requested information. The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city informs us the submitted report relates to an offense that "has a suspended status by investigator." The city further states, "The offense has not resulted in a conviction and/or deferred adjudication." We note section 552.108(a)(2) is applicable only if the information at issue is related to a concluded criminal case "that *did not* result in conviction or deferred adjudication[.]" *See id.* § 552.108(a)(2) (emphasis added). Upon review, we find the city has failed to demonstrate the information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Thus, the city has not demonstrated the applicability of section 552.108(a)(2)

to the information. Accordingly, the city may not withhold any of the submitted information under section 552.108(a)(2) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>1</sup> Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, with the exception of the requestor’s and his minor child’s dates of birth, to which the requestor has a right of access pursuant to section 552.023 of the Government Code, the city must withhold all public citizens’ dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. *See* Gov’t Code § 552.023(a) (“person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, with the exception of the requestor’s and his minor child’s dates of birth, the city must withhold all public citizens’ dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information to this requestor.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup> We note the requestor has a right of access to some of the information being released. *See* Gov’t Code § 552.023(a); ORD 481 at 4. Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
