

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 7, 2020

Ms. Mary Dougherty
Open Records Attorney
Texas Department of Insurance
P.O. Box 149104
Austin, Texas 78714

OR2020-25189

Dear Ms. Dougherty:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 848424 (TDI Nos. R007831 and R009076).

The Texas Department of Insurance (the "department") received two requests from different requestors for the list of current Public Protection Classification Ratings for all communities in Texas. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Insurance Services Office, Inc. ("ISO"). Accordingly, you state, and provide documentation showing, you notified ISO of the requests for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from ISO. We have considered the submitted arguments and reviewed the submitted information.

We note the submitted information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2020-21153 (2020). In Open Records Letter No. 2020-21153, we determined the department must withhold the information we marked under section 552.110(c) of the Government Code, and release the remaining information. We have no indication the law, facts, or circumstances on which the prior ruling was based have changed. Accordingly, the department must continue to

rely on Open Records Letter No. 2020-21153 as a previous determination and withhold or release the identical information in accordance with that ruling.¹ *See* Open Records Decision No. 673 at 6-7 (2001) (discussing criteria for first type of previous determination).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Kelly McWethy
Assistant Attorney General
Open Records Division
