ATTORNEY GENERAL OF TEXAS

Ms. Katheryne Ellison
Assistant General Counsel
Houston Independent School District
4400 West 18th Street
Houston, Texas 77092-8501

OR2020-25786

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 847623 (PIR No. T062320).

The Houston Independent School District (the "district") received a request for certain types of employment records regarding six named individuals, including the requestor, during a specified time period. You state you are withholding some information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

21.355 of the Education Code provides, in relevant part, “[a] document evaluating the performance of a teacher or administrator is confidential and is not subject to disclosure under [the Act].” Educ. Code § 21.355(a). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

Upon review, we find the submitted information consists of evaluations of teachers by the district. You have submitted documentation that reveals the teachers at issue held the appropriate certificates for the purpose of section 21.355 and were acting as teachers at the time the evaluations were prepared. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez
