Mr. Mark G. Mann
Senior Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2020-25799

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 848646 (GCA20-0620).

The Garland Police Department (the "department") received a request for information pertaining to a specified incident. You state the department has released some information. You state you will withhold dates of birth pursuant to a previous determination issued in Open Records Letter No. 2017-22182 (2017).¹ You claim the submitted information is excepted from disclosure under section 552.108 and 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Initially, we note some of the submitted information consists of a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations

¹ Open Records Letter No. 2017-22182 is a previous determination issued to the department authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.³ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending investigation and prosecution. Based on your representation and our review, we find release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a). Upon review, we find the department must withhold the motor vehicle record information you marked as well as the information we have marked under section 552.130 of the Government Code.

³ As we are able to make this determination, we need not address your arguments against disclosure of this information.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information you marked as well as the information we have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
