

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 14, 2020

Mr. Kevin Bailey
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2020-25842

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 853864 (ORR # MO31269-082720).

The City of Midland (the "city") received a request for information related to a specified auto accident. You state the city has released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note some of the body worn camera recordings were not properly requested pursuant to section 1701.661(a). Upon review, we find, in this instance, the requestor does not provide the requisite information under section 1701.661(a) for some of the body worn camera recordings. As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). Upon review, we find the requestor provided the information required by section 1701.661(a) with respect to the remaining body worn camera recordings. *Id.* Accordingly, we find the requestor properly requested the remaining body worn camera recordings at issue and we will address your arguments against their disclosure.

Next, we note a portion of the submitted information consists of a CR-3 crash report, which is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although you assert section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the city must release the CR-3 crash report to this requestor pursuant to section 550.065(c) of the Transportation Code.

¹ As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining information relates to a concluded criminal investigation that did not result in a conviction or deferred adjudication. Based on your representations and our review, we conclude section 552.108(a)(2) is applicable to the remaining information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). Thus, with the exception of basic information, the city may withhold the remaining information pursuant to section 552.108(a)(2) of the Government Code.

In summary, as the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must release the CR-3 crash report to this requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, the city may withhold the remaining information pursuant to section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
