ATTORNEY GENERAL OF TEXAS

October 27, 2020

Mr. Albert DiMarco
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2020-26945

Dear Mr. DiMarco:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 850836 (ORR# 20-2643).

The Texas Department of Public Safety (the "department") received a request for information related to a specified incident. The department states it is releasing some of the requested information. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception the department claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states, and provides documentation demonstrating, the submitted information pertains to an active criminal

¹ The department acknowledges it did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b), (e). However, the need of a law enforcement agency other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 at 3 (1991). Accordingly, we will consider whether the department may withhold the submitted information on behalf of another law enforcement agency.

prosecution that is pending in the 82nd Judicial District in Robertson County, Texas. Further, the department has provided a statement demonstrating the district attorney's office objects to release of the information because such release would interfere with the prosecution of the matter at issue. Based on these representations, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
