

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

October 28, 2020

Mr. Jason Day  
City Attorney  
City of Royse City  
P.O. Box 638  
Royse City, Texas 75189

OR2020-27073

Dear Mr. Day:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 850599 (ORR# RCCA20-08-0417).

The City of Royse City (the "city") received a request for specified video footage. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act ("HSA"). Section 418.182(a) of the Government Code provides in relevant part, "information . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential." *Id.* § 418.182(a). The fact that information may be related to a governmental body's security system does not make the information per se confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See*

Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You inform us the submitted information consists of a surveillance camera video recording from the city's police department building. You state the surveillance camera at issue is part of the city's security system for the police department and the submitted surveillance camera footage identifies vulnerabilities in the surveillance system. Upon review, we find the submitted recording relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
