ATTORNEY GENERAL OF TEXAS

October 29, 2020

Mr. Gary W. Smith  
City Attorney  
City of Richmond  
402 Morton Street  
Richmond, Texas 77469

OR2020-27213

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 851955.

The City of Richmond (the "city") received a request for the body worn camera recording for a specified vehicle accident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon our review of the submitted information, we determine the requestor provided the requisite information required by section 1701.661(a) of the Occupations Code. We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). You state the submitted body worn camera recording involves an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. You state you do not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recording, which we indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. *See generally King v. Paxton*, 576 S.W.3d 881 (Tex. App.—Austin 2019, pet. denied). However, the remaining information does not consist of body worn camera recordings. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code, and the city may not withhold the remaining information under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov't Code § 552.130(a). Thus, the city must withhold all visible license plate information in the remaining information under section 552.130 of the Government Code.

In summary, the city must withhold the submitted body worn camera recording, which we indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The city must withhold all visible license plate information in the remaining information under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
