Dear Ms. Pearce:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 853267 (File Ref. #117754).

The City of Glenn Heights (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also* Fam. Code § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). The exceptions in section 58.008 do not appear to apply to this information. Therefore, the city must generally withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

The submitted information consists of CR-3 accident reports. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. Transp. Code §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Therefore, the requestor has a right of access to the submitted accident reports. Therefore, we must address the conflict between the confidentiality provided under section 58.008(b) of the Family Code and the right of access provided under section 550.065(c). Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov’t Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.— Fort Worth 1977, writ ref’d n.r.e.). We note section 58.008(b) generally pertains to all juvenile law enforcement records. However, section 550.065 specifically pertains to accident reports. Accordingly, we find section 550.065 is more specific than, and prevails over section 58.008(b). Therefore, the city may not withhold the submitted CR-3 accident reports under section 552.101 in conjunction with section 58.008. We also note although the city asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.*, Open

Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c) prevails, and the city may not withhold the information under section 552.108 of the Government Code. Additionally, although you also raise section 552.101 of the Government Code in conjunction with common-law privacy, we note a specific statutory right of access overcomes the common law. *See Collins v. Tex Mall, L.P.*, 297 S.W.3d 409, 415 (Tex. App.—Fort Worth 2009, no pet.) (statutory provision controls and preempts common law only when statute directly conflicts with common-law principle). Therefore, no portion of the information at issue may be withheld under section 552.101 of the Government Code on the basis of common-law privacy. Thus, the city must release the submitted CR-3 accident reports to this requestor pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
