

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 12, 2020

Ms. Sandy Slade
Public Information Officer
Leander Independent School District
P.O. Box 218
Leander, Texas 78646

OR2020-28453

Dear Ms. Slade:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 852462 (PIR No. 2894).

The Leander Independent School District (the "district") received a request for information pertaining to a specified incident involving a named student.¹ You state the district has redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.² You state the district will provide some of the requested information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹ You state the district sought and received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

² The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You claim the submitted information is subject to chapter 261 of the Family Code. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). However, you have failed to demonstrate, and the documents do not reflect, this information was used or developed in an investigation of alleged or suspected child abuse or neglect or consists of a report of alleged or suspected abuse or neglect. Furthermore, we find you have not demonstrated the submitted information consists of the identifying information of a person who reported alleged or suspected abuse or neglect to the district’s police department. Accordingly, we find none of the submitted information is confidential under section 261.201 and the district may not withhold it under section 552.101 on that basis.

Section 552.108 of the Government Code provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from [required public disclosure] if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution[.]

Gov't Code § 552.108(a)(1), (b)(1). Section 552.108(a)(1) protects information if its release would interfere with a particular pending criminal investigation or prosecution. Section 552.108(b)(1) protects internal law enforcement and prosecution records, the release of which would interfere with law enforcement and prosecution efforts in general. A governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

Upon review, we find you have failed to demonstrate the information at issue pertains to a specific ongoing criminal investigation or prosecution, nor have you demonstrated its release would interfere with law enforcement. Thus, you have failed to demonstrate the applicability of section 552.108(a)(1) or section 552.108(b)(1) of the Government Code, and the district may not withhold any of the submitted information on either of those bases. As no other exceptions to disclosure are raised, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
