

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 13, 2020

Mr. L. Brian Narvaez
Counsel for the Town of Prosper
Brown & Hofmeister, L.L.P.
740 East Campbell Road, Suite 800
Richardson, Texas 75081

OR2020-28508

Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 853542 (Ref. No. 2020-198).

The Town of Prosper (the "town"), which you represent, received a request for certain proposals and evaluative materials pertaining to a specified request for proposals. Although you take no position regarding whether the submitted information is excepted from disclosure, you state release of the information at issue may implicate the proprietary interests of certain third parties. Accordingly, you state the town notified these interested third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note the town has only submitted proposals pertaining to the request for proposals specified in the request. To the extent any additional information responsive to the request existed on the date the town received the present request, we assume the town has already released it. If the town has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to

why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the interested third parties explaining why the information at issue should not be released. Thus, we have no basis to conclude any third party has a protected proprietary interest in the information at issue. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Therefore, the town may not withhold any portion of the submitted information on the basis of any proprietary interest the third parties may have in it.

You state, and we agree, some of the submitted information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit. As no exceptions to disclosure have been raised, the town must release the submitted information; however, any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Blake Brennan
