ATTORNEY GENERAL OF TEXAS

November 20, 2020

Mr. Jonathan T. Koury  
Assistant City Attorney  
City of Bryan  
P.O. Box 1000  
Bryan, Texas 77805

OR2020-29199

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855610.

The City of Bryan (the "city") received a request for information pertaining to a specified incident. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

(2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a) for one of the submitted body worn camera videos. As the body worn camera video at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.<sup>1</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note, the instant request includes all the information required by section 1701.661(a) with respect to the remaining body worn camera videos. *Id.* § 1701.661(a). Accordingly, we find the requestor properly requested the remaining body worn camera videos.

However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

*Id.* § 1701.661(f). You state the remaining body worn camera videos pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received written authorization for release from all of the subjects of the video at issue. *See id.* Accordingly, we find the city must withhold the remaining body worn camera videos under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

In summary, as the requestor did not properly request one of the submitted body worn camera videos under section 1701.661 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the remaining body worn camera videos under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> As we are able to make this determination, we need not address your argument against disclosure of this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
