

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 23, 2020

Ms. Debra A. Anderson
Public Information Coordinator
County of Hays
111 East San Antonio Street, Suite 202
San Marcos, Texas 78666

OR2020-29267

Dear Ms. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855090 (Ref. No. 0314 (1-12)).

The County of Hays (the "county") received eleven requests from the same requestor for multiple categories of information pertaining to various e-mails, text messages, bills, expenses, and named county employees during specified time periods.¹ You claim the submitted information is excepted from disclosure under sections 552.107 and 552.116 of the Government Code and privileged under Texas Rule of Evidence 503. We have considered your arguments and reviewed the submitted information.

Initially, we note the county has not submitted information responsive to all the categories of information to which the requestor seeks access. Although the county states it has submitted a representative sample of the requested information, we find the submitted

¹ The county received clarification of the information requested. *See* Gov't Code § 552.222 (if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if governmental entity, acting in good faith, requests clarification of unclear or over-broad request, ten-day period to request attorney general ruling is measured from date request is clarified). You state the county sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimate. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You also inform us the county received the required deposit on August 31, 2020. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

information is not representative of all of the types of information at issue. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the county to withhold any information that is substantially different from the types of information the county submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any such information existed on the date the county received the request, we assume the county has released it. If the county has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.107(1) of the Government Code protects information coming within the attorney-client privilege. When asserting the attorney-client privilege, a governmental body has the burden of providing the necessary facts to demonstrate the elements of the privilege in order to withhold the information at issue. *See* Open Records Decision No. 676 at 6-7 (2002). First, a governmental body must demonstrate the information constitutes or documents a communication. *Id.* at 7. Second, the communication must have been made “to facilitate the rendition of professional legal services” to the client governmental body. TEX. R. EVID. 503(b)(1). The privilege does not apply when an attorney or representative is involved in some capacity other than that of providing or facilitating professional legal services to the client governmental body. *In re Tex. Farmers Ins. Exch.*, 990 S.W.2d 337, 340 (Tex. App.—Texarkana 1999, orig. proceeding) (attorney-client privilege does not apply if attorney acting in capacity other than that of attorney). Governmental attorneys often act in capacities other than that of professional legal counsel, such as administrators, investigators, or managers. Thus, the mere fact that a communication involves an attorney for the government does not demonstrate this element. Third, the privilege applies only to communications between or among clients, client representatives, lawyers, and lawyer representatives. TEX. R. EVID. 503(b)(1). Thus, a governmental body must inform this office of the identities and capacities of the individuals to whom each communication at issue has been made. Lastly, the attorney-client privilege applies only to a confidential communication, *id.*, meaning it was “not intended to be disclosed to third persons other than those: (A) to whom disclosure is made to further the rendition of professional legal services to the client; or (B) reasonably necessary to transmit the communication.” *Id.* 503(a)(5). Whether a communication meets this definition depends on the intent of the parties involved at the time the information was communicated. *See Osborne v. Johnson*, 954 S.W.2d 180, 184 (Tex. App.—Waco 1997, orig. proceeding). Moreover, because the client may elect to waive the privilege at any time, a governmental body must explain the confidentiality of a communication has been maintained. Section 552.107(1) generally excepts an entire communication that is demonstrated to be protected by the attorney-client privilege unless otherwise waived by the governmental body. *See Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein).

You state Exhibit D consists of communications between an attorney for the county and a county official that were made for the purpose of providing legal services to the county. You state the communications were intended to be confidential and have remained

confidential. Based on your representations and our review, we find Exhibit D consists of privileged attorney-client communications. Therefore, the county may withhold Exhibit D under section 552.107(1) of the Government Code.

Section 552.116 of the Government Code provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) “Audit” means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) “Audit working paper” includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov’t Code § 552.116. You state Exhibit B consists of audit working papers pertaining to a pending audit being conducted by the county auditor’s office. You state the audit at issue is being conducted by the auditor’s office pursuant to its authority under section 112.006 of the Local Government Code. *See* Local Gov’t Code § 112.006. Based on your representations and our review of the information at issue, we conclude Exhibit B constitutes audit working papers, and the county may withhold Exhibit B under section 552.116 of the Government Code.

In summary, the county may withhold Exhibit D under section 552.107(1) of the Government Code. The county may withhold Exhibit B under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
