

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 23, 2020

Ms. Amy L. Sims
Deputy City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2020-29284

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 854783 (File No. 2914).

The Lubbock Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor's client.¹ You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code.² We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

¹ The department provides documentation showing it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² Although you raised section 552.108 you make no argument in support of this assertion. Therefore, we assume you have withdrawn this exception. *See* Gov't Code §§ 552.301, .302.

³ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.⁴ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the information includes a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). In this instance, the requestor is a person listed under section 550.065(c). Although you raise section 552.130 of the Government Code for the motor vehicle record information contained in the accident report, we note a statutory right of access generally prevails over the Act's general exceptions to disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). However, because section 552.130 has its own access provisions, we conclude

⁴ As we are able to make this determination, we need not address your arguments against disclosure of this information.

section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under section 550.065(c) of the Transportation Code for the accident report. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) (“more specific statute controls over the more general”); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones); Open Records Decision Nos. 598 (1991), 583 (1990), 451. Section 550.065(c) specifically provides access only to accident reports of the type at issue, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to the accident report provided under section 550.065(c) is more specific than the general confidentiality provided under section 552.130. Accordingly, the department may not withhold any portion of the accident report under section 552.130 of the Government Code. Thus, the department must release the submitted accident report in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See Gov’t Code* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. We note section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the criminal justice system). Upon review, we find the department has not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the department may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses information protected by the federal Driver's Protection Privacy Act of 1994 (the "DPPA"), section 2721 of title 18 of the United States Code. Section 2721 provides, in part, the following:

(a) In general.—A State department of motor vehicles, and any officer, employee, or contractor thereof, shall not knowingly disclose or otherwise make available to any person or entity:

(1) personal information, as defined in 18 U.S.C. 2725(3), about any individual obtained by the department in connection with a motor vehicle record, except as provided in subsection (b) of this section[.]

...

(b) Permissible uses.—Personal information referred to in subsection (a). . . may be disclosed as follows:

(1) For use by any governmental agency . . . in carrying out its functions[.]

...

(c) Resale or redistribution.—An authorized recipient of personal information (except a recipient under subsection (b)(1) or (12)) may resell or redisclose the information only for a use permitted under subsection (b) (but not for uses under subsection (b)(11) or (12)). . . . Any authorized recipient (except for a recipient under subsection (b)(11)) that resells or rediscloses personal information covered by this chapter must keep for a period of 5 years records identifying each person or entity that receives information and the permitted purpose for which the information will be used and must make such records available to the motor vehicle department upon request.

18 U.S.C. § 2721(a)(1), (b)(1), (c). The DPPA defines "motor vehicle record," in relevant part, as "any record that pertains to a motor vehicle operator's permit . . . issued by a department of motor vehicles[.]" *Id.* § 2725(1). Section 2725 also defines personal information as "information that identifies an individual, including an individual's photograph, social security number, driver identification number, name, address (but not the 5-digit zip code), telephone number, and medical or disability information, but does not include information on vehicular accidents, driving violations, and driver's status." *See id.* § 2725(3).

You assert some of the remaining information consists of personal information obtained from DPS that is protected under the DPPA. We note this office has concluded the DPPA applies to information in the possession of DPS. Attorney General Opinion JC-0499 at 1

(2002). You explain the department obtained the personal information for use in carrying out its functions with regard to law enforcement. Based upon your representations and our review, we find the department, in obtaining personal information from DPS to assist the department in carrying out its law enforcement functions, is an authorized recipient of personal information for purposes of section 2721(c). *See* 18 U.S.C. § 2721(b)(1) (providing that personal information may be disclosed by a state department of motor vehicles to any entity acting on behalf of a Federal, State, or local agency in carrying out its functions). Therefore, we find some of the remaining information, which we marked, constitutes personal information obtained from DPS by an authorized recipient and is confidential under section 2721 of title 18 of the United States Code. Accordingly, as we have no indication that release of this information would be for a use permitted under section 2721(b), we conclude the department must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 2721(a) of title 18 of the United States Code. *See* 18 U.S.C. § 2721(a). However, we find the remaining information at issue does not consist of personal information for purposes of section 2725(3). *See id.* § 2725(3). Therefore, none of the remaining information at issue is confidential under section 2721(a) of the title 18 of the United States Code and may not be withheld under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The requestor has a right of access to her client's date of birth pursuant to section 552.023 of the Government Code. *See* Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). This office has also found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision No. 600 (1992) (personal financial information includes choice of particular insurance carrier). Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). We note the names, addresses, and telephone numbers of members of the public are generally not highly intimate or embarrassing. *See* Open Records Decision Nos. 551 at 3 (1990) (disclosure of person's name, address, or telephone number not an invasion of privacy), 455 at 7 (home addresses and telephone numbers not protected under privacy). Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the department must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his client's motor vehicle record information under section 552.023 of the Government Code and it may not be withheld from him under section 552.130. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); ORD 481 at 4. Accordingly, the department must withhold any visible license plates and registration stickers within the remaining video recordings and the motor vehicle record information we marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the department must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code.

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. The department must release the submitted accident report in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code. The department must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 2721(a) of title 18 of the United States Code. The department withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The department must withhold any visible license plates and registration stickers within the remaining video recordings and the motor vehicle record information we marked under section 552.130 of the Government Code. The department must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. The department must release the remaining information to this requestor.⁵

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
