

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 24, 2020

Mr. Sid Pounds
General Counsel
Midland Independent School District
615 West Missouri Avenue
Midland, Texas 79701

OR2020-29399

Dear Mr. Pounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855940 (Ref. No. R000094).

The Midland Independent School District (the "district") received a request for information pertaining to use of force policies, incidents, and training of the district's police department during a specified time period. You state you released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, the submitted information consists of administrative internal memos and use of force reports that do not constitute juvenile law enforcement records for purposes of section 58.008(b) of the Government Code. Accordingly, the district may not withhold any of the submitted information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Further, this office has determined common-law privacy generally protects the identities of juvenile offenders. *See* Open Records Decision No. 394 (1983); *cf.* Fam. Code § 58.008(b). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1).¹ *See* Gov’t Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may only be withheld under section 552.117(a)(1) on behalf of a current or former employee who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, to the extent the information we marked pertains to current or former employees of the district and the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone services. Conversely, to the extent the information we marked does not pertain to current or former employees of the district or the individuals at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

In summary, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. To the extent the information we marked pertains to current or former employees of the district and the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone services. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
