ATTORNEY GENERAL OF TEXAS

November 24, 2020

Ms. Mary E. Miller
Assistant District Attorney
Counsel to the Sherrif, Denton County
127 East Woodrow Lane, Suite 300
Denton, Texas 76205

OR2020-29438

Dear Ms. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855085 (ORR Nos. 4281, 4282, 4283, & 4401).

The Denton County Sheriff's Office (the "sheriff's office") received four requests from the same requestor for information related to specified incidents. The sheriff's office states it is releasing some of the requested information. The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The sheriff's office asserts, and we agree, the submitted body worn and dash camera video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the sheriff's office states it does not possess the technological capability to redact information from video files. Thus, we agree the sheriff's office must withhold the entireties of the submitted body worn and dash camera video recordings under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983). However, the remaining information does not contain motor vehicle record information and the sheriff's office may not withhold any of the remaining information under section 552.130.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find the sheriff’s office has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the sheriff’s office may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

In summary, the sheriff’s office must withhold the entireties of the submitted body worn and dash camera video recordings under section 552.130 of the Government Code. The sheriff’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
