Ms. Stephanie H. Harris
City Attorney
City of Paris
P.O. Box 9037
Paris, Texas 75461-9037

OR2020-29445

Dear Ms. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855697.

The City of Paris (the "city") received a request for e-mail communications between two named individuals during a specified period of time.¹ The city states it will release all responsive information subject to the Act. The city claims the submitted information is not subject to the Act. We have considered the submitted arguments and reviewed the submitted representative sample of information.² We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

¹ The city states it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

The Act is applicable only to “public information.” *See id.* §§ 552.002, .021. Section 552.002(a) reads as follows:

(a) In this chapter, “public information” means information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer’s or employee’s official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). Section 552.002(a-1) also provides the following:

Information is in connection with the transaction of official business if the information is created by, transmitted to, received by, or maintained by an officer or employee of the governmental body in the officer’s or employee’s official capacity, or a person or entity performing official business or a governmental function on behalf of a governmental body, and pertains to official business of the governmental body.

Id. § 552.002(a-1). Thus, virtually all the information in a governmental body’s physical possession constitutes public information and is subject to the Act. *Id.*; *see* Open Records Decision Nos. 549 at 4 (1990), 514 at 1-2 (1988). The city asserts the submitted information is not subject to the Act because it is purely personal in nature and does not relate to the transaction of official business of the city. Based on these representations and our review, we conclude the submitted communications do not constitute public information for purposes of section 552.002 of the Government Code. *See* Open Records Decision No. 635 at 4 (1995) (section 552.002 not applicable to personal information unrelated to official business and created or maintained by state employee involving *de minimis* use of state

resources). Therefore, the submitted information is not subject to the Act, and the city is not required to release it in response to the request.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
