Dear Deputy Bretado:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 857550.

The Ector County Sheriff's Office (the "sheriff's office") received a request for information regarding a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the sheriff's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The sheriff's office received the request for information on August 25, 2020. We understand the sheriff's office was closed on September 7, 2020, for Labor Day. This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the sheriff's office was required to provide the information required by section 552.301(b) by September 9, 2020. We note the envelope in which the sheriff's office initially submitted the information required by section 552.301(b) was returned to the sheriff's office for insufficient postage, and the sheriff's office again mailed the required information to this office in an envelope bearing a postmark of September 21, 2020. Section 552.308 of the Government Code provides, when a submission within a specified time period is required under the Act, the time requirement is met if the submission is sent by first class mail "with postage . . . prepaid" and the

postmark date is within the required time period. *See id.* § 552.308. Accordingly, we conclude the sheriff's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will address the applicability of these exceptions to the submitted information. However, we find the sheriff's office has failed to establish a compelling reason to address its remaining claimed exception.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the sheriff's office must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information.
