

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 3, 2020

Ms. Tiffany Bangs
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002

OR2020-30128

Dear Ms. Bangs:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 855915 (C.A. File No. 20PIA0649).

The Harris County Flood Control District (the "district") received a request for certain information pertaining to a specified project. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and

disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. See Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); see ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982).

The office has also concluded a preliminary draft of a document intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. See Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. See *id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. See *id.* at 2.

You seek to withhold the submitted information under section 552.111 of the Government Code. You state the information at issue consists of advice, opinions, and recommendations of employees and officials of the district regarding policymaking matters of the district. You further state the information at issue includes draft documents that were intended to be released in their final forms. Accordingly, with the exception of the information we marked for release, the district may withhold the submitted information under section 552.111 of the Government Code. However, we find the remaining information is purely factual in nature. Thus, you have failed to demonstrate the remaining information reveals advice, opinions, or recommendations that pertain to policymaking. Accordingly, the district may not withhold any portion of the remaining information under section 552.111 of the Government Code on the basis of deliberative process privilege. As no further exceptions to disclosure have been raised, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
