

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 7, 2020

Ms. Aesil Kim
Assistant General Counsel
The University of North Texas System
1155 Union Circle #310907
Denton, Texas 76203

OR2020-30392

Dear Ms. Kim:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 856343 (Ref. No. 8034).

The University of North Texas (the "university") received a request for information related to a specified incident involving the requestor's client. You state the university will release basic information to the requestor. *See* Gov't Code § 552.108(c) (basic information about an arrest, arrested person, or crime cannot be withheld under section 552.108). You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.139 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

¹ Although the university does not raise section 552.130 of the Government Code in its brief, we understand the university to raise this exception based on its markings.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(1) of the Government Code exempts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The university states the marked information pertains to an active criminal investigation by the university’s police department. Based on this representation, we conclude the release of the information you have marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue. Accordingly, we find the university may withhold the information you have marked under section 552.108(a)(1) of the Government Code.³

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 411.083 of the Government Code which pertains to criminal history record information (“CHRI”). CHRI generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center is confidential under federal and state law. CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and

³ As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

their dispositions.” Gov’t Code § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov’t Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F or subchapter E-1 of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. We note Federal Bureau of Investigation (“FBI”) numbers constitute CHRI generated by the FBI. Upon review, we find the FBI number you have marked consists of CHRI that is confidential under section 411.083. Thus, the university must withhold the FBI number you have marked under section 552.101 in conjunction with section 411.083 of the Government Code and federal law.⁴

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). We note the requestor has a right of access to his client’s confidential information pursuant to section 552.023 of the Government Code. *See* Gov’t Code § 552.023(a) (“person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Accordingly, the university must withhold the public citizen’s date of birth we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have failed to demonstrate any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the university may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Accordingly, the requestor has a right of access to his client’s motor

⁴ We note the requestor’s client can obtain his own CHRI from DPS. Gov’t Code § 411.083(b)(3).

vehicle record information under section 552.023 of the Government Code and it may not be withheld from him under section 552.130. *See id.* § 552.023(a); ORD 481 at 4. Accordingly, the university must withhold the motor vehicle record information we have marked and all visible license plate images not belonging to the requestor's client under section 552.130 of the Government Code.

In summary, the university may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The university must withhold the FBI number you have marked under section 552.101 in conjunction with section 411.083 of the Government Code and federal law. The university must withhold the public citizen's date of birth we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The university must withhold the motor vehicle record information we have marked and all visible license plate images not belonging to the requestor's client under section 552.130 of the Government Code. The university must release the remaining information.⁵
