OR2020-30455

Dear Ms. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 857260 (ORR# 20-1967).

The City of Abilene (the "city") received a request for information pertaining to named individuals. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working

papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The city asserts the submitted information is confidential under section 261.201. However, we find the city has not established this information was used or developed in an investigation of alleged or suspected child abuse or neglect under chapter 261 of the Family Code or consists of a report of alleged or suspected abuse or neglect. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201). Therefore, the submitted information is not confidential under section 261.201(a) of the Family Code and the city may not withhold it under section 552.101 of the Government Code on that ground.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code makes CHRI the Texas Department of Public Safety (“DPS”) maintains confidential, except DPS may disseminate this information as provided in subchapters E-1 and F of chapter 411 of the Government Code. *See* Gov’t Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI, but a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. Upon review, we find the submitted information does not contain CHRI for purposes of chapter 411. Accordingly, the submitted information is not confidential under chapter 411, and the city may not withhold it under section 552.101 of the Government Code on that ground. Therefore, the city must release the submitted information.<sup>1</sup>
