

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

December 8, 2020

Mr. Vincent Harding  
Assistant General Counsel  
Aldine Independent School District  
2520 W.W. Thorne Drive  
Houston, Texas 77073

OR2020-30624

Dear Mr. Harding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 856930.

The Aldine Independent School District (the "district") received a request for three categories of information pertaining to a specified program. You state the district has released some information to the requestor. Although the district takes no position regarding whether the submitted information is excepted from disclosure under the Act, the district informs us its release may implicate the proprietary interests of AT&T; Crown Castle Fiber USA; and PS Lighthouse. Accordingly, the district states, and provides documentation showing, it notified these third parties of the request for information and of its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the information at issue should not be released. Thus, we have no basis to conclude any third party has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception).

Therefore, the district may not withhold the submitted information on the basis of any proprietary interest any of the notified third parties may have in the information.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”<sup>1</sup> *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 (2009). Accordingly, the district must withhold the insurance policy numbers within the submitted information under section 552.136 of the Government Code.

We note some of the remaining information may be subject to copyright law. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the district must withhold the insurance policy numbers under section 552.136 of the Government Code. The district must release the remaining information; however, any information protected by copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Michelle Garza  
Assistant Attorney General  
Open Records Division
