

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

December 11, 2020

Ms. Katheryne Ellison  
Assistant General Counsel  
Houston Independent School District  
4400 West 18th Street  
Houston, Texas 77092-8501

OR2020-31052

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 856661 (ORR Nos. HC092220 and HC092820).

The Houston Independent School District (the "district") received two requests from the same requestor for five categories of information pertaining to two specified requests for proposals, information pertaining to a named employee, and certain spreadsheets. You claim some of the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state you notified All Steel, Brandt, Castillo Construction, Competitive Choice, D & D Kelson, FW Walton, Facilities Sources, Houston KACO, Quadra Mind Enterprise, The Wright Enterprise Group, A Status Construction, JR Thomas Construction, Just Construction, and Southwest Wholesale of the requests for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note you have not submitted information responsive to the request for information pertaining to a named employee. To the extent any information responsive to this portion of the request existed on the date the district received the request, we assume the district has released it. If the district has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why info relating to that

party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from any of the interested third parties. Thus, we have no basis to conclude a third party has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the district may not withhold any of the submitted information on the basis of any proprietary interest a third party may have in the information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would “harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future.” Gov't Code § 552.104(a). The “test under section 552.104 is whether knowing another bidder’s [or competitor’s information] would be an advantage, not whether it would be a decisive advantage.” *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find the district has failed to demonstrate the applicability of section 552.104 to the information at issue. Thus, we conclude the district may not withhold any portion of the submitted information under section 552.104(a).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>1</sup> *See* Gov't Code § 552.130. Accordingly, the district must withhold all license plate years in the submitted information under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 (2009). Accordingly, the district must withhold the insurance policy and partial credit card numbers in the submitted information under section 552.136 of the Government Code.

Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton*

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

*v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the district must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, the district must withhold all license plate years in the submitted information under section 552.130 of the Government Code. The district must withhold the insurance policy and partial credit card numbers in the submitted information under section 552.136 of the Government Code. The district must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The district must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
